

NOTICE OF NEW MANDATORY REQUIREMENTS

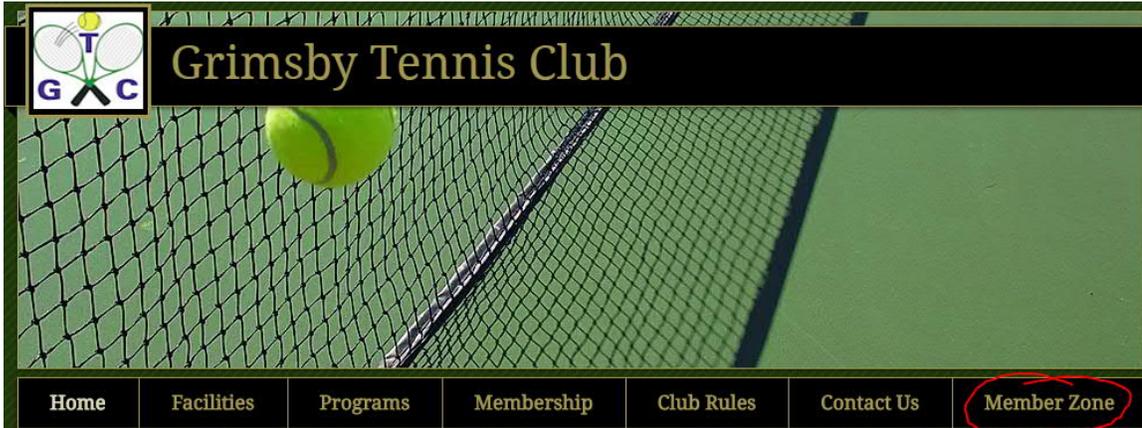

The Grimsby Tennis Club has presented a detailed plan to the Town of Grimsby to allow our club to open. The Town of Grimsby reserves the right to withdraw their approval (and lock the gates) if any of our membership do not follow all the guidelines in our plan. A key part of that detailed plan is a court booking process that includes a health declaration. This ensures we always know who is on the courts to support contact tracing (if it ever becomes necessary).

As a result, **court booking is now mandatory**. Booking will be possible once your membership has been paid. We are placing trust in our members that everyone will follow these requirements. No one wants to be responsible for everyone losing their court privileges.

While a new, simpler online booking system is coming, we wanted to open the club as soon as possible. So, until that new booking system is in place, use the instructions below to book a court.
